PRELIMINARY AMENDMENT

S I R :

Prior to examination on the merits, and prior to calculation of the filing fee, please amend the above-captioned application as follows:

IN THE SPECIFICATION

On page 1, line 3: please insert the following:

--CROSS REFERENCE TO RELATED APPLICATION

This is a Divisional of Application No. 09/039,777 filed on March 16, 1998.--

IN THE CLAIMS

Please cancel, without prejudice or disclaimer, claims 1-7 and 12.

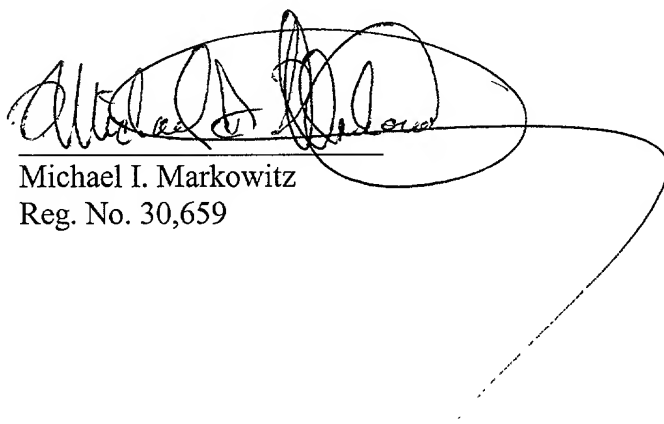

REMARKS

This is a Divisional Application of Application No. 09/039,777, filed on March 16, 1998, (hereinafter "the parent application"), claims 1-5, having been cancelled herein, without prejudice or disclaimer, since they were allowed in the parent application, and non- elected claims 6-7 and 12 in the parent application having been cancelled, without prejudice or disclaimer herein, since a first Divisional Application containing non-elected claims 6-7 and a second Divisional Application containing non-elected claim 12, are being filed concurrently herewith.

It is respectfully requested that this Preliminary Amendment be entered before calculation of the filing fee so that the Applicant is not charged for dependency of one excess independent claim over the three excess independent claims covered by the basic filing fee which was present in this application before this Preliminary Amendment.

Any fee due with this paper, not fully covered by an enclosed check, may be charged on Deposit Account 50-1290.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael I. Markowitz", is written over a horizontal line. The signature is stylized with large, overlapping loops. A long, thin, curved line extends from the bottom right of the signature, sweeping across the page.
